In our freezer prepared in our kitchen. Take-out or rewarmed for eating in store.

Classic favorites

Mac n' Cheese; our signature, super creamy made with Vermont cheddar and cheese curds.

Enchiladas; chicken and cheese hand rolled with either red or verde chili sauces. Mild. GF

Meat balls; hand formed with local meats, veggies and GF grain. Either Turkey, Beef/Pork or Bacon Bites.

Shaker Baked Beans; slow cooked with local bacon, boiled apple cider & maple syrup.

Pizza; organic sour dough crust with a variety of toppings.

Bologna sauce; slow cooked local pork and beef pasta sauce. Pair with one of our artisanal pastas.

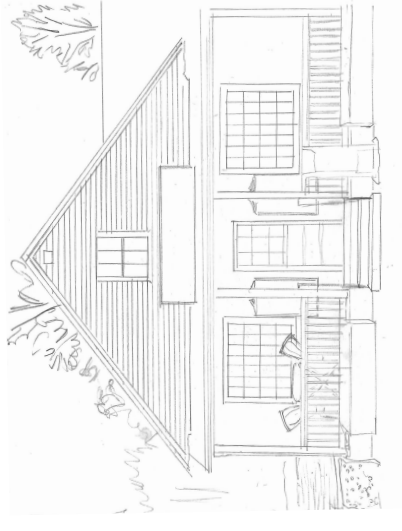

And more...

Additional meals prepared weekly capturing what is fresh that day.

On the town green in the historic center of Canterbury

Canterbury Center has had an operating store since 1767. The early stores were in homes surrounding the center eventually moving into buildings as they were built. The current country store began its life as a circa 1800 livery barn. When the center fire of 1943 swept through town burning the Union Hall that housed the store, it was relocated to this site.
