

## **Art Shows in the Feed Loft @ the CANTERBURY COUNTRY STORE**

Thank you for your interest in entering the **Winter in Bloom** art show at our community art gallery! Everyone is welcome to show. It runs **January 5 through January 24, 2026**. The reception for the artists is on Friday night January 9 from 5:00 - 6:00pm.

To enter this show, you must complete the following steps. Entries that are late are always considered but most of the time they will be hung at a later date after the show has opened.

1. Fill out the entry form on the next page.
2. Email a photo of that completed form PLUS photos of what you want to enter no later than **Sunday, December 28** to [jane@CanterburyCountryStore.com](mailto:jane@CanterburyCountryStore.com). Quality photos may be used in our PR with your permission.
3. OR bring in the filled out form with photos to the store. DO NOT BRING IN ART AT THIS POINT.
4. **Wait to hear back from Jane by email if all of your work was accepted. Sometimes we do not have enough space for everything or the items may not fit the theme of the show.**
5. After you have heard which of your work is accepted, bring it in **Monday, January 5** - with the drop off sheet - between 7am-3pm. Jane will have already made the title cards so we can hang your work immediately. The show is hung the day work is dropped off.
  - Late delivery for accepted work means that your work will not be hung immediately but at a later date when space is created for it.
  - Late entries—if accepted—will not have the title cards yet so their hanging will be delayed also.
  - If you are not available to drop off on **January 5** contact Jane to make arrangements for an alternative day/time. 603-491-7305
6. Pick up any work that has not sold on **Sunday, January 25** 7am-3pm or by special app't. We are very pleased that your are interested in sharing your work at the store!

### **Artist's Inspiration:**

We tend to think of winter in stark landscapes here in the Northeast but in other parts of our country, and the world, winter is filled with the vibrant color of blossoms. Imagine yourself in these places and recreate blooms to fill our gallery with startling color to contrast against the neutrality out our windows.
